**DIRECTORS' REPORT**

To,

**The Members of RING PLUS AQUA LIMITED**

Your Directors present their Thirty Third Annual Report together with the Audited Financial Statements for the year ended March 31, 2020.

**1. FINANCIAL SUMMARY & HIGHLIGHTS OF PERFORMANCE**

The Gross Revenue of the Company for the year 2019-20 stood at Rs. 210.74 crores (Previous Year: Rs. 262.04 crores). During the year under review, your company made profit before tax of Rs. 25.37 crores (Previous Year: Profit Rs. 50.43 crores).

**2. Material changes and commitment – if any, affecting financial position of the Company from the end of the Financial Year till the date of this Report**

There has been no material change and commitment, affecting the financial performance of the Company which occurred between the end of the Financial Year of the Company to which the financial statements relate and the date of this Report, except for the impact arising out of COVID-19, which is detailed below in point no. 3 of this Report.

**3. COVID-19 and its impact**

Your Company is in the business of manufacturing and exporting Ring Gears, Flexplates, Water Pump Bearings, machined components, both for auto and non-auto sector. Your Company is a key supplier of components in its product category and these products are going to remain key and a top priority going forward as well. In addition, Company is exploring addition of new products and increase its offering.

Your Company has strong contingency plans in place to secure operations and supply chain so that production of its key products can continue however considering the logistics challenges and low demand at customers' end during early phases of lockdown, the production was impacted marginally. But now with the lifting of lockdowns across the globe and opening of markets worldwide, the company started ramping up its plants capacity utilisations to service the pending orders and new demand. Your Company has implemented all necessary precautions to safeguard the well-being of its employees and observing stipulated guidelines issued by government authorities from time to time.

Your Company has witnessed lower sales in initial period of lockdowns as sales got impacted directly from the pandemic, however with unlock phase being started, demand in company's operating segments will improve in tandem with economic and industrial activities pickup. Your Company enjoys long-term close customer relationships developed over period of time

which will help in getting back to normalcy at faster pace. Further, there are significant geographic and widespread customer base that will continue to drive growth in mid and long term.

The management has performed a detailed assessment of the situation and believes that no adjustments are required in the financial statements as it does not impact the current financial year; however, in view of the various preventive measures taken (such as complete lock-down restrictions by the Government of India, travel restrictions etc.) and highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve.

#### **4. DIVIDEND**

In order to conserve the resources and to meet the growth plans, your Directors do not recommend any dividend for the financial year 2019-20.

#### **5. RESERVES**

Your Company has not transferred any amount to the reserves of the Company.

#### **6. OPERATIONS**

Your company has witnessed slowdown in demand during the current Financial Year. The lower demand for automobiles was a result of sluggish economic growth not only in India but globally. The US-China trade war, Brexit related uncertainties affected demand in US and EU markets. In the Indian markets, higher insurance costs, regularization of 25% overload on commercial vehicles, higher safety standards, the shift towards BS-VI emission standards increased the cost of ownership and dampened the demand. The drop in automotive and non-automotive demand across all segments due to these reasons impacted sales of your company as these are key segments in which your company operates. It further got impacted with the onset of global pandemic from COVID-19.

In the backdrop of contraction of demand, your company focused on operational excellence, relentless cost reduction measures, lean manufacturing practices and improvised supply chain management with tight control on working capital. These measures helped in mitigating the impact on bottom line and cash flows.

Your company has successfully completed addition of capacity of 2 million ring gear units at a new Greenfield state-of-art facility at Sinnar, Nasik. The facility became operational from May, 2019.

## **7. AUDITORS**

### **Statutory Auditors**

## **Independent auditor's report**

### **To the Members of Ring Plus Aqua Limited**

#### **Report on the audit of the financial statements**

##### **Opinion**

1. We have audited the accompanying financial statements of Ring Plus Aqua Limited ("the Company"), which comprise the balance sheet as at March 31, 2020, and the statement of Profit and Loss ((including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

##### **Basis for opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Emphasis of Matter**

4. We draw attention to Note 48 to the financial statements, which describes the management's assessment of the impact of the outbreak of Coronavirus (Covid-19) on the business operations of the Company. The management believes that no adjustments are required in the financial statements as it does not impact the current financial year, however, in view of the various preventive measures taken (such as complete lock-down restrictions by the Government of India, travel restrictions etc.) and highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of the matter.

##### **Other Information**

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially

inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of management and those charged with governance for the financial statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on other legal and regulatory requirements**

12. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact, if any, of pending litigations as at March 31, 2020 on its financial position in its financial statements – Refer Note 39 to the financial statements.
  - ii. The Company has long-term contracts including derivative contracts as at March 31, 2020 for which there were no material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.
  - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2020.
- 14. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## **Annexure A to Independent Auditors' Report**

Referred to in paragraph 13(f) of the Independent Auditors' Report of even date to the members of Ring Plus Aqua Limited on the financial statements for the year ended March 31, 2020.

Page 1 of 2

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls with reference to financial statements of Ring Plus Aqua Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to

## **Annexure A to Independent Auditors' Report**

financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made by it. The Company has not provided any guarantees or security to the parties covered under Section 185 and 186 of the Companies Act 2013.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, goods and service tax and other material statutory dues, as applicable, with the appropriate authorities. Also refer note 39 to the financial statements regarding management's assessment on certain matters relating to provident fund. Further, for the period March 1, 2020 to March 31, 2020, the company has paid Goods and Service Tax and filed GSTR1 and Form 3B after the due date but within the timelines allowed by Central Board of Indirect Taxes and Customs under the Circular No. 136/06/2020-GST dated 03/04/2020 on fulfilment of conditions specified therein.  
  
(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of service-tax, duty of customs, duty of excise, value added tax and goods and service tax which have not been deposited on account of any dispute. The particulars of dues of income tax and sales tax as at March 31, 2020 which have not been deposited on account of a dispute, are as follows:

**1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES :**

**I. Background and Operations**

Ring Plus Aqua Limited ('RPAL' or 'the Company'), CIN : U99999MH1986PLC040885, headquartered in Mumbai, Maharashtra, India, carries on business of manufacturing and exporting Ring Gears, Flexplates, Water Pump Bearings, machined components both for auto and non-auto sector. Scissors Engineering Products Limited is holding company of RPAL holding 89.07% capital of the Company.

**II. Basis of preparation of financial statements**

The accounting policies are applied consistently to all the periods presented in the financial statements.

**III. Significant accounting policies**

**(a) Basis of preparation of Financial Statements**

**(i) Compliance with Ind AS**

These financial statements comply in all material aspects with the Indian Accounting Standards notified under section 133 of the Companies Act, 2013 (the Act) read with of the [ Companies (Indian Accounting standards) Rules, 2015 ] and other relevant provisions of the Act.

**(ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities (including derivative instruments) that is measured at fair value;
- 2) defined benefit plans - plan assets measured at fair value;
- 3) share based payments

**(iii) New and Amended standards adopted by the Company**

(iii) New and amended standards adopted by the Company

The company has applied the following standards and amendments for the first time for their annual reporting period commencing 1 April 2019:

-Ind AS 116, Leases

-Plan Amendment, Curtailment or Settlement – Amendments to Ind AS 19, Employee Benefits

-Amendment to Ind AS 12, Income Taxes

The company had to change its accounting policies as a result of adopting Ind AS 116. This is disclosed in note 33. The other amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

**(iv) Current non-current classification**

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle (twelve months) and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013.

**(v) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III (Division II), unless otherwise stated.

**(b) Use of estimates and judgments**

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

**(c) Property, plant and equipment**

All other items of property, plant and equipment are stated at historical cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

**Depreciation methods, estimated useful lives and residual value**

Depreciation is provided on a Straight Line Method, over the estimated useful lives of assets. (Leasehold land is amortised over of period lease). Leasehold improvements are amortised over the period of lease or estimated useful lives which ever is lower.

The company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Act, and management believe that useful lives of assets are same as those prescribed in schedule II of the Act, except for plant and machinery which based on an independent technical evaluation has been estimated as 24 years from the date of acquisition (on a single shift basis), which is different from that prescribed in Schedule II of the Act.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

**(d) Intangible assets**

**Computer software**

Computer software are stated at cost, less accumulated amortisation and impairments, if any.

**Amortisation method**

The Company amortizes computer software with a useful life using the straight-line method over the period of 3 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

**(e) Leases**

**Till 31st March, 2019**

**As a lessee**

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

**With effect from 1st April, 2019**

**As a lessee**

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019). Accordingly, previous period information has not been restated.

The Company's lease asset classes primarily consist of leases for Land. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. On adoption of Ind AS 116, the Company has reclassified leasehold land presented under Property, Plant and Equipment to Right-of-use asset and lease payments have been classified as financing cash flows.

**(f) Cash and Cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

**(g) Trade receivables**

Trade receivables are recognised at the value of sales less provision for impairment.

**(h) Inventories**

Inventories of Raw Materials, Goods in transit, Work-in-Progress, Stores and spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used is 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

**(i) Investments and other financial assets**

**(i) Classification**

The company classifies its financial assets in the following measurement categories:

- \* those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- \* those measured at amortised cost.

The classification depends on the company's business model for managing the financial assets and the contractual terms of the cash flows.

**(ii) Measurement**

At initial recognition, the company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed in the Statement of Profit and Loss.

**Debt instruments:**

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- \* **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

\* **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment losses, interest revenue which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the Statement of Profit and Loss and recognised in other income/expense. Interest income from these financial assets is included in other income using the effective interest rate method.

\* **Fair value through profit and loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

**(iii) Impairment of financial assets**

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

**(v) Income recognition**

**- Interest income**

Interest income from debt instruments is recognised using the effective interest rate method.

**- Dividends**

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

**(j) Derivative financial instruments**

Derivative financial instruments such as forward currency contracts, option contract and cross currency swap, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

**(k) Borrowings**

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

**(l) Borrowing costs**

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to revenue.

**(m) Provisions, contingent liabilities and contingent assets**

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events.

A contingent asset is disclosed, where an inflow of economic benefits is probable. A contingent asset is not recognised unless the recovery is virtually certain.

**(n) Revenue recognition**

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. The control of the products and services were transfer at a time.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the company and specific criteria have been met for each of the company's activities as described below.

**Sale of goods -**

Sales are recognised when the control of the goods has transferred when the goods are delivered to customer and there is no unfulfilled obligation that could affect the customer's acceptance of the product. Delivery occurs when the products have been shipped to the specific location, risk of obsolescence and loss have been transfer to customer and the Company has objective evidence that all criteria for the acceptance have been satisfied.

**Sales Return -**

The Company recognises provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

**Other operating revenue - Export incentives -**

Export Incentives under the, "Duty Draw back Scheme", "Merchandise Export from India Scheme" etc. is accounted in the year of export.

**(o) Employee benefits**

**(i) Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. An actuarial valuation is obtained at the end of reporting period. The present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

**(ii) Post-employment obligations**

**Gratuity obligations**

The liability or asset recognised in the balance sheet in respect of defined gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The net interest cost is calculated by actuary applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments as calculated by actuary are recognised immediately in the Statement of Profit and Loss as past service cost.

**Defined Contribution Plans**

Defined Contribution Plans such as Provident Fund etc., are charged to the Statement of Profit and Loss Account as incurred.

**Termination benefits**

Termination benefits are payable when employment is terminated by the company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The company recognises termination benefits at the earlier of the following dates: (a) when the company can no longer withdraw the offer of those benefits; and (b) when the company recognises costs for restructuring that is within the scope of Ind AS37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

**(p) Foreign currency transactions**

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

**(q) Income tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

**(r) Earnings Per Share**

**Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

**(s) Share Based Payments**

Expenses relating to Share Based payments such as Equity Share Option Plan (ESOP) are recognised based on Black Schole method and are shown as Shares Option Outstanding Account in Equity and in Employee Benefit Cost under Statement of Profit and Loss in accordance with provisions of IND AS 102. The expenses relating to Share based payments will be subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss and the Shares Option Outstanding Account on yearly basis. The Share Based payments reserve will be transferred to Equity Shares on the allotment of the ESOP and balance may be transferred to General Reserve or Securities Premium accordingly.

**2 Critical estimates and judgements**

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

- Estimation of Defined benefit obligation (Refer Note 43).
- 
- Estimation of current tax expenses and Payable and Recognition of deferred tax assets for carried forward tax losses (Refer Note 7).

**33 (a) Changes in Accounting Policies****Ind AS 116 - Leases**

As indicated in note 1(iii)(a)(iii) above, the company has adopted Ind AS 116 retrospectively from 1 April 2019, but has not restated comparatives for year ended 31 March 2019, as permitted under the specific transition provisions in the standard. The reclassifications and the adjustments arising from the new leasing rules are therefore recognised in the opening balance sheet on 1 April 2019. The new accounting policies are disclosed in note (iii)(e).

On adoption of Ind AS 116, the Company has reclassified leasehold land presented under Property, Plant and Equipment to Right-of-use asset.

**(i) Practical expedients applied**

In applying Ind AS 116 for the first time, the Company has used the following practical expedients permitted by the standard:

-accounting for operating leases with a remaining lease term of less than 12 months as at 1 April, 2019 as short-term leases

**(iv) Adjustments recognised in the balance sheet on 1 April 2019**

The change in accounting policy affected the following items in the balance sheet on 1 April, 2019

- Property, plant and equipment -decrease by INR 85.52

- right-of-use assets -increase by INR 85.52 lakhs

The net impact on retained earnings on 1 April 2019 was decrease by INR Nil.

**b) Ind AS 115 - Revenue from Contracts with Customer**

The Company had applied Ind AS 115 for the first time by using the modified retrospective method with the date of initial application of April 1, 2018. Under this method, the Company had recognised the cumulative effect of the initially applying Ind AS 115 as an adjustment to the opening balance of retained earnings as at April 1, 2018.

The impact on the balances as at April 1, 2018 is as follows:

Item	April 01, 2018	Adjustment of Ind AS-115	Adjusted April 01, 2018
Retained Earnings	5,129.39	(31.51)	5,097.87

**34 Financial risk management objectives and policies**

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies and ensuring compliance with market risk limits and policies.

**i. Market Risk- Interest rate risk**

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

**iii. Credit risk**

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- Actual or expected significant adverse changes in business,
- Actual or expected significant changes in the operating results of the counterparty,
- Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- Significant increase in credit risk on other financial instruments of the same counterparty,
- Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data loss on collection of receivable is not material except for credit losses in forging business which has been discontinued, hence no additional provision considered.

**iv. Liquidity Risk**

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

**35 Capital risk management**

The primary objectives of the capital management is to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and maintain an optimal capital structure to reduce the cost of capital.

Company manages its capital structure and makes its adjustments in the light of changes in economic environments.

The Company monitors capital on the basis of the following gearing ratio which is total debt net of cash and cash equivalents divided by total equity

The management monitors the return on capital.

The gearing ratios were as follows:

Particulars	March 31, 2020	March 31, 2019
Net Debt*	(721.81)	445.66
Equity	13,232.04	11,366.08
Gearing Ratio	(5.45)	3.92

\* Net Debt is derived by netting Total Borrowings by Current Investments and Cash & Cash Equivalents.

Negative amounts represent excess of Cash and cash equivalent over Borrowings.

**Other Matters - Provident Fund :**

The Supreme Court of India, through a ruling in February 2019, provided guidelines for interpreting the scope of compensation on which the organisation and its employees are to contribute towards Provident Fund. There is significant uncertainty and ambiguity in interpreting and giving effect to the guidelines of Supreme Court. The Company believes that there will be no significant impact on its contributions to Provident Fund due to the Supreme Court Order. The Company will evaluate its position and act as clarity emerges on impact of the ruling.

<b>Net Capital commitments</b>	<b>197.08</b>	<b>820.88</b>

**41 Fair Value measurement****Financial Instrument by category and hierarchy**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans, security deposits etc. were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

**The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:**

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

## F. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans and post retirement medical benefits at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date

The significant actuarial assumptions were as follows:

Particulars	March 31, 2020	March 31, 2019
<b>Financial Assumptions</b>		
Discount rate	6.84%	7.54%
Salary Escalation Rate	4% to 6%	7.50%
Salary Attrition Rate		
	For service 2 years & below 15% , For service 3 to 4 years 10%, For service 5 years and above 5%	For service 2 years & below 15% , For service 3 to 4 years 10%, For service 5 years and above 5%

## Demographic Assumptions :

Mortality in service : Indian Assured Lives Mortality (2006-08) Ultimate table.

## G. Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

Current Year	Increase in assumption	Decrease in assumption
Discount rate: (+1%and -1%)	(58.73)	66.63
Salary Escalation Rate (+1%and -1%)	65.68	(52.38)
Employee Turnover (+1%and -1%)	(1.23)	1.49

Previous Year	Increase in assumption	Decrease in assumption
Discount rate: (+1%and -1%)	(58.09)	65.92
Salary Escalation Rate (+1%and -1%)	64.29	(58.09)
Employee Turnover (+1%and -1%)	0.02	(0.04)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

**48 COVID 19 Assessment:**

The ongoing corona pandemic is profoundly impacting people's health, societies and business operations around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns, disruptions in transportation, supply chains, travel restrictions, quarantines, social distancing and other emergency measures implemented to control the spread of virus.

The Company is in the business of manufacturing and exporting Ring Gears, Flexplates, Water Pump Bearings, machined components, both for auto and non-auto sector. Company is a key supplier of components in its product category and these products are going to remain key and a top priority going forward as well. In addition Company is exploring addition of new products and increase its offering.

The Company has strong contingency plans in place to secure operations and supply chain so that production of its key products can continue however considering the logistics challenges and low demand at customers' end during early phases of lockdown, the production was impacted marginally, however with unlock phase being started, demand will improve in tandem with economic and industrial trends. Further, there are significant geographic and widespread customer base that will continue to drive growth in mid and long term.

The Company has performed a detailed assessment of the situation and believes that no adjustments are required in the financial statements as it does not impact the current financial year; however, in view of the various preventive measures taken (such as complete lock-down restrictions by the Government of India, travel restrictions etc.) and highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve.
